### Goals:

What are your 5-year career goals?

What are your 10-year career goals?

How do your thread choices support these goals?

What information/experiences would help you refine these goals?

*For each year at Tech, please note a personal and professional goal that can help you build to your longer-term goals or that you would like to accomplish in general. A minimum of three years of goals is required. If you will be a student for less than that at Tech, please indicate that.*

<b>Year 5</b>		

## Year-by-Year Planning:

*In order to reach the previous goals, list some possible co-curricular, extracurricular, or professional development activities you would like to take part of in the semester you would like to complete it. Please remove the examples when you fill out the table. A minimum of three opportunities is required.*
